**The Electricity (Uniform System of Accounts) Regulations, 2020**  
*(Under sections 10 (k) and 119 (2) (e) of the Electricity Act, 1999,  
Cap. 145)*

IN EXERCISE of the powers conferred on the Electricity Regulatory Authority under sections 10 (k) and 119 (2) (e) of the Electricity Act, 1999, these Regulations are made this 19th day of May, 2020.

## PART I—PRELIMINARY

### 1. Title

These Regulations may be cited as the Electricity (Uniform System of Accounts) Regulations, 2020.

### 2. Application

These Regulations apply to any person who—

- (a) has a licence issued under the Act for the generation, transmission, distribution, sale, import or export of electrical energy to consumers; and
- (b) has a certificate of exemption issued under the Act.

### 3. Interpretation

In these Regulations, unless the context otherwise requires—

“Act” means the Electricity Act, 1999, Cap. 145;

“affiliate” means—

- (a) any subsidiary of a licensee or holder of a certificate of exemption;

- (b) any company in which the shareholders of a licensee or holder of a certificate of exemption hold an aggregate beneficial interest not less than twenty per cent;
- (c) any company in which the shareholder of a licensee or holder of a certificate of exemption, control in the aggregate not less than twenty percent;
- (d) any company whose directors are accustomed or under an obligation, whether formal or informal, to act in accordance with the shareholders of a licensee or holder of a certificate of exemption; or
- (e) a subsidiary or associate;

“assignment” means the transfer of an interest, right or obligation in a licence by the licensee (assignor) to a third party (assignee), either by deed or contract;

“associate” means bodies corporate that are subsidiaries of the same body corporate or where one of the body corporates is a subsidiary of the other;

“authority” means the Electricity Regulatory Authority established under section 4 of the Act;

“cost allocation” means the process of correctly identifying, aggregating and assigning a single cost to more than one business activity, process or service in a manner that prevents cross subsidization;

“currency point” has the value assigned to it in Schedule 1 to these Regulations;

“financial year” means the period of twelve months starting on the 1<sup>st</sup> day of July and ending on the 30<sup>th</sup> day of June of the following year;

“IFRS” means the International Financial Reporting Standards developed by the International Accounting Standards Board;

“licence” means a licence issued by the authority under the Act;

“licensee” means the holder of a licence issued under the Act;

“transfer pricing” means the pricing of products or services that one affiliate or business unit supplies to another affiliate or business unit of the same organisation;

“subsidiary” has the meaning assigned to it in section 161 of the Companies Act, 2012;

“uniform system of accounts” means an account or framework used by licensees and holders of certificates of exemption to provide financial data and information to the authority in a specific and consistent format prescribed under these Regulations.

#### **4. Purpose of Regulations**

(1) The purpose of these Regulations is to prescribe reporting procedures and requirements for licensees and holders of certificates of exemption, for purposes of achieving uniformity and consistent reporting of elements that are required for tariff setting, approval and monitoring.

(2) Without limiting the general effect of subregulation (1), the purpose of these Regulations is—

- (a) to require licensees to segregate accounting records between licensed activities or services in a vertically integrated business;

- (b) to require holders of certificates of exemption to segregate accounting records between exempted activities or services in a vertically integrated business;
- (c) to require licensees and holders of certificates of exemption to segregate regulated business from non-regulated businesses; and
- (d) to prescribe the principles and methodologies for cost allocation.

## PART II—REGULATORY REPORTING STANDARDS

### **5. Requirement to keep records**

A licensee or a holder of a certificate of exemption shall—

- (a) keep or cause to be kept, for a period of at least seven years, such accounting and other records as are necessary to ensure that all the revenues, costs, assets, liabilities, reserves and supplies of, or reasonably attributable in accordance with these Regulations, to the licensed or exempted activity;
- (b) keep the uniform system of accounts in the manner set out in Schedule 2 to these Regulations;
- (c) map its existing chart of accounts to the uniform chart of accounts as set out in Schedule 3 to these Regulations; and
- (d) keep the uniform system of accounts in Uganda shillings unless exempted by the authority.

### **6. Form and content of uniform system of accounts**

(1) A licensee or a holder of a certificate of exemption shall include in the uniform system of accounts the following—

- (a) a statement of income;

- (b) a statement of the financial position;
- (c) a statement of changes in equity;
- (d) a statement of cash flow; and
- (e) the related explanatory notes.

(2) The uniform system of accounts referred to in regulation 5(b) shall be accompanied by—

- (a) a report of the licensee's or a holder of a certificate of exemption's performance on the forecasts and assumptions made in respect of the reporting period that shall be disclosed to the authority at the time of determining any tariff; and
- (b) a statement of the directors' responsibility for accounting policies adopted by the licensee or the holder of certificate of exemption and the accuracy of the uniform system of accounts.

(3) Unless otherwise provided for in these Regulations, the uniform system of accounts shall be prepared on the basis of historical accounting convention.

(4) For purposes of subregulation (3), where no historical cost information exists, a one-off valuation of the asset determined by the authority, shall be deemed to be the historical cost of the asset.

(5) The uniform system of accounts shall be prepared on an accrual basis and the transactions shall be recorded by matching revenues with related expenses.

## **7. Reporting**

A licensee or a holder of a certificate of exemption shall prepare and submit to the authority the uniform system of accounts in electronic form, every calendar year and in any case not later than 31<sup>st</sup> March of that calendar year.

## **8. Exemption**

(1) A licensee or a holder of a certificate of exemption may apply to the authority for an exemption from the application of these Regulations.

(2) The authority shall consider the application made under subregulation (1) and the reasons advanced by the licensee or a holder of a certificate of exemption and may grant an exemption where the authority is satisfied that it is uneconomical and onerous for the licensee or a holder of a certificate of exemption to maintain and submit the accounts in the prescribed format prescribed under these Regulations.

(3) A licensee or a holder of a certificate of exemption exempted under this regulation shall maintain its books of accounts in accordance with IFRS.

## **PART III—COST ALLOCATION**

### **9. Cost allocation and chart of accounts**

(1) A licensee or a holder of a certificate of exemption shall allocate costs in a manner that separates business units in relation to the way in which human and financial resources are assigned and with reference to the business unit or activity giving rise to the cost.

(2) Costs that are incurred in respect of more than one activity, or which are not attributable to a single activity, shall be allocated using the cost allocation methodology prescribed in regulation 10.

(3) A licensee and a holder of a certificate of exemption shall maintain a cost allocation manual, setting out the cost allocation method, affiliate transactions and transfer pricing policies.

(4) The cost allocation manual referred to in subregulation (3) shall be approved by the authority.

(5) For the purposes of subregulation (3), the cost allocation manual shall—

- (a) reflect the relationship between the cost driver and the costs incurred in performing the licensed or exempted activity; and

- (b) prevent cross-subsidisation and ensure equitable cost sharing among the regulated businesses, non-regulated business and its affiliates without unduly benefiting any of them.

(6) Cost allocation shall be in accordance with the chart of accounts prescribed in Schedule 3 to these Regulations.

#### **10. Cost allocation methodology**

(1) A licensee or a holder of a certificate of exemption developing a cost allocation methodology under subregulation 9(2) shall adopt—

- (a) the fully allocated cost approach where direct costs are assigned directly to services, while indirect costs are traced to an activity center or cost pool from where the primary cost driver or relevant proxy is identified and used to allocate the costs between regulated and non-regulated activities; and
- (b) the fully allocated cost approach referred to in subparagraph (a) which comprises two steps of cost distribution that include—
  - (i) direct assignment where the portion of an activity used by the licensee or holder of a certificate of exemption can be reasonably established; and
  - (ii) cost allocation where more than one business unit uses an activity, but the portions of the activity that each uses cannot be directly established.

(2) Subject to subregulation (1), the authority may require a licensee or a holder of a certificate of exemption to develop activity-based cost allocation methodologies for approval by the authority.

### **PART III—GENERAL**

#### **11. Integrity of accounts**

(1) The uniform system of accounts balance sheet shall incorporate adjustments to reflect any material difference between the book values of the licensee's net assets and the authority's assessment of the rate base.

(2) The uniform system of accounts shall include an explanatory note stating—

- (a) the nature and scope of transactions with affiliates of the licensee or holder of certificate of exemption;
- (b) where applicable, confirm that transactions with affiliates are negotiated at arm's length and under standard commercial terms; and
- (c) whether the transactions were subject to competitive bidding.

## **12. Audit**

(1) The authority shall pre-qualify auditors for purposes of auditing the uniform system of accounts once every year.

(2) A licensee or a holder of a certificate of exemption shall procure an auditor from the prequalified list under subregulation (1) to undertake an audit of its uniform system of accounts who shall submit to the authority the audited uniform system of accounts within three months after the end of the financial year.

(3) The licensee or holder of certificate of exemption shall not engage the same auditor for more than 3 years.

## **13. Offences and penalties**

A licensee or holder of certificate of exemption who does not maintain and submit information in accordance with these Regulations commits an offence and—

- (a) is liable, on conviction, to a fine not exceeding two hundred currency points; and
- (b) in the case of a continuing offence, is liable to an additional fine not exceeding five currency points in respect of each day on which the offence continues.
