[Note: This legislation was revised and consolidated as at 31 December 2000 and 31 December 2023 by the Law Reform Commission of Uganda. All subsequent amendments have been researched and applied by Laws.Africa for ULII.]

[Amended by [Physical Planning \(Amendment\) Act, 2020 \(Act 2 of 2020\)](#) on 10 January 2020]

An Act to provide for the establishment of the National Physical Planning Board; to provide for the composition, functions and procedure of the Board; to provide for the establishment of district and urban physical planning committees; to provide for the making and approval of physical development plans and for applications for development permission and for related matters.

[Act 8/2010; S.I. 18/2011; Act 2/2020]

Part I – Preliminary

1. Interpretation

In this Act, unless the context otherwise requires—

“**advertisement**” means any word, letter, device, model, sign, placard, board, notice or representation, whether illuminated or not, in the nature of and employed wholly or in part for the purpose of public communication and includes any hoarding or similar structure used or adapted for use for the display of the communication but does not include any communication displayed inside a building;

“**area action plan**” means a local plan intended to address specific development planning problems of a specific area;

“**Board**” means the National Physical Planning Board established under section 4;

“**building**” means any structure or erection on, in or under any land and any part of any structure or erection of any kind whatsoever whether permanent, temporary or movable, and whether completed or uncompleted;

“**building operations**” include any building or erection operations, rebuilding operations, structural alterations or additions to buildings and other similar operations and the making of access roads, railways, waterworks, sewerage and drainage works, electrical and telephone installations and any road works preliminary to, or incidental to, the erection of buildings;

“**building works**” include waste materials, refuse and other matters deposited on land and reference to the “erection” or “construction of building or works” shall be construed accordingly;

“**currency point**” has the value assigned to it in Schedule 1 to this Act;

“**density of development**” means the maximum amount of development permitted or the maximum number of persons permitted to reside on any area of land;

“**detailed plan**” means a subcounty physical development plan that operationalises the provisions of a structure plan;

“development” means—

- (a) the making of any material change in the use or density of any buildings or land or the subdivision of any land; and
- (b) the erection of buildings or works and the carrying out of building operations;

but does not mean—

- (i) the carrying out of works for the maintenance of, improvement or other alteration of, or addition to, any building where such alteration or addition does not exceed ten percent of the floor area of the building measured on the date this Act becomes applicable to the area in which that building or land is situated;
- (ii) the carrying out, by a competent authority, of any works required for the construction, maintenance or improvement of a road, if the works are carried out on land within the road reserves; or
- (iii) the carrying out, by any local government or statutory body, of any works for the purpose of inspecting, repairing or renewing any sewers, mains, pipes, cables or other apparatus, including breaking open of any street for that purpose and the installation of services by the local government or statutory body, where the local government or statutory body, within seven days, after completion of works carried out, restores the site to conditions that would not be injurious to users and the environment;

“development application” means an application made under section 36 for permission to develop land;

“development permission” means a development permission granted under section 35 by a local government to an applicant to develop land;

“district physical planner” means an officer responsible for physical planning in a district;

“district physical planning committee” means a committee established by section 10;

“dwelling” means a building or any part or portion of a building, used or constructed, adapted or designed to be used for human habitation, as a separate tenancy or by one family only, whether detached, semi-detached, or separated by party walls or floors from adjoining buildings or part or portion of the same building together with such out-buildings as are reasonably required to be used or enjoyed;

“enforcement notice” means a notice served by a local government under section 52 on an owner, occupier or developer of land, requiring that owner, occupier or developer to comply with the provisions of that section;

“existing building” or **“existing works”** means, respectively, a building or works erected, constructed or carried out before the date this Act becomes applicable to the area in which the building or works is situated, and includes a building or works commenced before, but completed after that date;

“land” includes any land covered with water, and any buildings or other things permanently attached to land, and any interest or right of easement in, to or over land;

“local government” includes—

- (a) a district council;
- (b) a city council;
- (c) a city division council;
- (d) a municipal council;
- (e) a municipal division council;
- (f) a town council; and
- (g) a subcounty council;

“**local council**” includes a local government council and an administrative unit council;

“**subcounty physical development plan**” means a plan for an area or part of an area of a city, municipal, town or urban council and includes a plan with reference to any trading centre, marketing centre or rural area;

“**long-term plan**” includes national, regional or district land use plans and urban structure plans, national, regional or district network plans for settlements, services, infrastructure and transportation;

“**lower local government**” includes a municipality, town, division and subcounty council;

“**Minister**” means the Minister responsible for physical planning;

“**national physical development plan**” includes a land use plan, general or subject specific, developed to cover Uganda as a whole;

“**owner**” means a person holding land under leasehold, mailo, freehold or customary tenure system and includes a lessee, tenant, spouse and agent;

“**physical planning committee**” includes a district physical planning committee, urban physical planning committee and a division or subcounty physical planning committee;

“**regional physical development plan**” means a physical development plan which covers more than one district;

“**road**” means any way open to the public for the circulation of vehicles which is maintained by the Government or an administration and includes any street, square, court, alley, bridge, footway, path, passage or highway whether a thoroughfare or not;

“**safeguarding area**” means any area adjoining any land owned or occupied by the armed forces of Uganda which is declared by the Minister by notice in the *Gazette* to be a safeguarding area for the purposes of this Act;

“**special planning area**” means an area that has spatial, socio-economic, physical and development problems and potential and which is declared as such under section 26;

“**structure plan**” means a broad development framework of a given area showing the proposed use of the various parts of an area and translating national and regional planning principles and guidelines into land use proposals;

“**subdivision**” in relation to land means the dividing of land into two or more parts whether by conveyance, transfer or partition or for the purpose of sale, gift, lease or any other purpose;

“**subject plan**” means a thematic plan that covers a particular subject, such as housing, transportation network or industrial development;

“**urban authority**” includes a city, municipal, division and town council declared as such under [the Local Governments Act](#);

“**urban physical planner**” means an officer responsible for physical planning in an urban authority.

2. Right to clean and healthy environment

- (1) Every Ugandan has a right to a clean and healthy environment in accordance with Article 39 of [the Constitution](#).
- (2) Subject to subsection (1), every Ugandan has a duty to create, maintain and enhance a well-planned environment.
- (3) A person may, where the right referred to in subsection (1) is threatened as a result of an act or omission, by any person, which has or is likely to breach a physical development plan or physical planning standards or in the enforcement of the duty referred to in subsection (2), report to the

relevant authorities or file a civil suit against the person whose act or omission has breached or is likely to breach a physical development plan or physical planning standards.

- (4) A person proceeding under subsection (3) may file a civil suit notwithstanding that the person cannot prove that the act or omission of another person has caused or is likely to cause personal harm or injury.

3. Declaration of planning area

The entire country is declared a planning area and this Act shall apply to the entire country in all respects.

Part II – National Physical Planning Board

4. Establishment of National Physical Planning Board

- (1) There is established the National Physical Planning Board which shall be the highest body responsible for physical planning in Uganda.

 - (a) acquire, hold and dispose of movable and immovable property;
 - (b) sue and be sued in its corporate name; and
 - (c) do all acts and things as a body corporate may lawfully do.
- (3) The Board shall be appointed by the Minister on such terms and conditions as the Minister may determine.
- (4) The Minister shall appoint the chairperson of the Board from among the members.
- (5) At least one-third of the members of the Board shall be women.
- (6) The members of the Board may be paid remuneration or allowances approved by the Minister, in consultation with the Minister responsible for finance and the Minister responsible for public service.
- (7) The proceedings of the Board shall be in accordance with Schedule 2 to this Act.

5. Tenure of office of members of Board

- (1) The members of the Board shall hold office for four years and are eligible for re-appointment for one further term.
- (2) A member appointed to the Board may, at any time, before the expiry of his or her term, resign his or her office in writing signed by him or her, addressed to the Minister.
- (3) A member may be removed from office by the Minister—
 - (a) for inability to perform his or her functions arising from infirmity of body or mind;
 - (b) if he or she is convicted of an offence involving fraud, dishonesty or moral turpitude;
 - (c) if he or she is adjudged or otherwise declared to be an insolvent or bankrupt under any law in force in Uganda or elsewhere and has not been discharged;
 - (d) for misbehaviour or misconduct;
 - (e) if he or she does not attend three or more consecutive meetings of the Board without showing in writing to the Minister, good cause for his or her absence; or
 - (f) for incompetence.

- (4) Where a member of the Board dies, resigns, or is removed from office, or for any other reason ceases to hold office before the expiration of his or her term of office, the Minister may appoint another person qualified to be appointed, to take his or her place and the person so appointed shall hold office until the expiration of the term of office of the member he or she is replacing.

6. Functions of Board

- (1) The functions of the Board are—
- (a) to cause to be prepared national and regional physical development plans for the orderly and sustainable development of Uganda;
 - (b) to ensure the coordination of the preparation of physical development plans made by local governments;

 - (p) to sensitise the public on matters of physical planning;
 - (q) to issue guidelines to ensure effective participation and engagement of the public in physical planning; and
 - (r) to cause to renew urban areas and improve slums and other informal settlements.
- (2) The Board shall, to the greatest extent possible and consistent with this Act, consult and cooperate with Ministries, departments and agencies of Government including the Uganda Police Force and other agencies having duties, aims or functions related to those of the Board.
- (3) It shall be the duty of any organisation to which subsection (2) relates to cooperate with the Board in the carrying out of its functions under this Act.

7. Powers of Board

- (1) The Board may, in the performance of its functions, exercise and discharge the following powers—
 - (a) control, supervise and administer the assets of the Board in such manner and for such purposes to promote the purpose for which the Board is established;
 - (b) conduct any investigation or inquiry relevant to physical planning development in Uganda;
 - (c) issue guidelines, directives or instructions to physical planning committees for the proper conduct of physical planning and urban development;
 - (d) order the demolition of any building or structure constructed in contravention of this Act; and
 - (e) delineate the planned area by pegs or any other appropriate form of visible delineation.
- (2) The Board may, by instrument of delegation, delegate to the Chairperson, a member of the Board or an officer of the Board, any of the powers, duties or functions of the Board under this Act.

Secretariat and Staff of Board

8. Secretariat of Board

- (1) The Board shall have a Secretariat which shall be headed by an Executive Director.
- (2) The Executive Director shall be appointed by the Board on terms and conditions specified in the instrument of appointment.
- (3) The Executive Director shall be a person of high moral character and proven integrity, with qualifications and experience in physical planning and with experience and competence to manage the affairs of the Board.
- (4) The Executive Director shall be the secretary to the Board.
- (5) The Executive Director shall hold office for five years and is eligible for re-appointment for one further term only.
- (6) The Executive Director shall cease to hold office if—
 - (a) he or she resigns;
 - (b) he or she is declared bankrupt or insolvent, or has made an arrangement with his or her creditors;
 - (c) he or she is convicted of an offence and sentenced to imprisonment for six months or more by a competent court in Uganda or outside Uganda without the option of a fine; or
 - (d) he or she is removed from office by the Board for—
 - (i) inability to perform the functions of his or her office arising from infirmity of body or mind;
 - (ii) abuse of office;
 - (iii) misbehaviour or misconduct; or
 - (iv) incompetence.
- (7) The Board may, on the advice of the Executive Director, appoint other officers and staff of the Board as may be necessary for the effective performance of the functions of the Board.

- (8) The employees appointed under this section shall hold office on such terms and conditions as the Board may determine and specify in their instruments of appointment.

9. Functions of Executive Director

- (1) The Executive Director is responsible for the day-to-day operations and administration of the Board.
- (2) Subject to this Act and to the general supervision of the Board, the Executive Director shall—
- (a) implement the policy decisions of the Board;
 - (b) be responsible for the control of the staff of the Board;
 - (c) arrange the business of the Board, record and keep the minutes of all decisions and proceedings of the Board at its meetings and any other records of the Board;
 - (d) ensure the proper management of the funds and property of the Board;
 - (e) develop strategic plans to guide the Board in achieving its objectives;
 - (f) develop an economic, efficient and cost-effective internal management structure for approval by the Board; and

General

16. Co-opting members to district, urban or subcounty physical planning committee

- (1) A district, urban or subcounty physical planning committee may co-opt any person it considers necessary, to assist it in its deliberations.
- (2) A person co-opted to a district, urban or subcounty physical planning committee shall not have a right to vote at the meetings of the committee.

17. Proceedings of physical planning committees

- (1) At every meeting of a district, urban or subcounty physical planning committee, the quorum shall be one-third of all the members of the committee.
- (2) All decisions of the committee shall be taken by a vote of the majority of the members present and voting, and in the case of an equality of votes, the chairperson or the person presiding shall have a casting vote.
- (3) A physical planning committee shall meet at least once in every three months.
- (4) A member of a physical planning committee shall not take part in the deliberation of any matter of which he or she is directly interested or concerned with.

18. Record of proceedings of committees

- (1) The secretary to a district, urban or subcounty physical planning committee shall keep a record of the proceedings of the committee.
- (2) The record of proceedings of a district, urban or subcounty physical planning committee may be inspected and copies may be made at the office of the secretary to the committee upon payment of the prescribed fee.
- (3) The record of proceedings of a district, urban or subcounty physical planning committee shall be submitted to the Executive Director.

19. Experts and consultants

A district, urban or subcounty council may, at the request of a district, urban or subcounty physical planning committee, engage the services of experts and consultants in respect to preparation of physical development plans.

Part IV – Physical development plans**20. Physical development plans**

- (1) The physical development plans shall be—
 - (a) the national physical development plan;
 - (b) regional physical development plans;
 - (c) district physical development plans;
 - (d) urban physical development plans;
 - (e) subcounty physical development plans; and
 - (f) detailed physical development plans, area action plans and subject plans.
- (2) The national physical development plan shall be developed to cover Uganda and all other physical development plans shall conform to the national physical development plan.
- (3) Every physical development plan shall conform to a physical development plan made by a higher body.
- (4) In as far as possible, the physical development plans shall be linear.

National and regional physical development plans

21. National and regional physical development plans

- (1) The national physical development plan and the regional physical development plans shall be prepared by the Board in respect of any area for the purpose of improving that area and providing for proper physical development.
- (2) In the preparation of the national physical development plan or a regional physical development plan, the Board shall take into account the securing of suitable provision for agricultural development, infrastructure, industrial development, environmental protection, natural resource management, urbanisation, human settlements conservation, tourism, the matters specified in Schedule 4 to this Act and other relevant matters.
- (3) For the purposes of this section, a national or regional physical development plan may provide for planning, re-planning, or reconstructing the whole or part of the area comprised in the plan, and for controlling the order, nature and direction of development in the area.

22. Public display of physical development plans

- (1) Upon the completion of a draft national or regional physical development plan, the Board shall publish a notice in the *Gazette* and in any other manner as it considers expedient, inviting the public to inspect the draft plan at the place and time specified in the notice.
- (2) The notice published under subsection (1) shall request any interested person who wishes to make any representation against, or objections to, the draft plan to write to the Board within ninety days after the date of the first publication of the notice or by a date specified in the notice.
- (3) A person who wishes to make a representation against or objection to a draft plan shall notify the Board that the representation or objection shall be made in writing or through open hearing.
- (4) The Board may, at its discretion, accept or reject the representations or objections to the plan and shall, within thirty days after accepting or rejecting a representation or an objection, notify the person making the representation or objection in writing accordingly, and shall give reasons in the case of a rejection.
- (5) The Board may dispense with or reduce the ninety day period for displaying of a physical development plan.
- (6) Any person aggrieved by a decision of the Board may appeal to the High Court against the decision.

23. Approval of national and regional physical development plans

- (1) Where after the expiration of the ninety days specified in the public notice under section 22, no representations against, or objections to, the plan have been made, or after the representations and objections have been dealt with in accordance with this Act, the Board shall certify the plan in triplicate and recommend the plan to the Minister for approval by the Cabinet.
- (2) The Cabinet may approve a national or regional physical development plan without, or subject to any conditions or modifications as it may consider necessary.
- (3) Where the Cabinet refuses to approve a national or regional physical development plan, the Minister shall require the Board to prepare a new plan taking into account the modifications proposed by Cabinet.

24. Publication of approved national and regional physical development plans

- (2) Any person who contravenes subsection (1) commits an offence and is liable, on conviction, to a fine not exceeding forty-eight currency points or to imprisonment for a term not exceeding two years, or both.
- (3) Any dealings in connection with any development in respect of which an offence is committed under this section shall be null and void and that development shall be discontinued.
- (4) Notwithstanding subsection (3), a local government physical planning committee shall require a developer to restore the land on which a development is made without permission, as much as possible, to its original condition.

36. Application for development permission

- (1) An application for development permission shall be made using Form P.P. A. 1 set out in Schedule 6 of this Act.
- (2) The application shall be made to the relevant local government which shall then forward the application to the relevant physical planning committee.
- (3) A physical planning committee shall, when considering a development application submitted to it under this section—
 - (a) be bound by any approved relevant regional or subcounty physical development plan;
 - (b) have regard to the health, amenities and conveniences of the community generally and to the proper planning and density of development and land use in the area;
 - (c) have regard to any comments received from the physical planner or authorities; and
 - (d) in the case of a leasehold, have regard to any special conditions stipulated in the lease.

37. Non-conformity of land for development

Where, in the opinion of a subcounty physical planning committee, an application in respect of development, change of user, subdivision or consolidation of land has an impact on adjacent land or does not conform to any conditions registered against the title of the property, the committee shall, at the expense of the applicant, publish the notice of the application in the *Gazette*, in a manner it thinks expedient.

38. Subdivision or consolidation of land

- (1) Land within the area of a subcounty shall not be subdivided or consolidated, except in accordance with the approved subcounty physical development plan relating to that area.
- (2) The subdivision or consolidation plan in relation to any land shall be prepared by a qualified physical planner and the plan shall be subject to approval as specified in section 40.
- (3) An application for the subdivision or consolidation of land shall be made using Form P.P.A. 2 in Schedule 7 to this Act.
- (4) The subcounty physical planning committee shall serve copies of the application on every owner or occupier of the property adjacent to the land to which the application relates and to any other persons as the subcounty physical planning committee may think fit.
- (5) Where the subcounty physical planning committee receives any objection to, or representation in connection with an application made under subsection (3), the subcounty physical planning committee shall notify the applicant of the objections or representations and shall, before the application is determined, accord the applicant an opportunity to make representations in response to the objections or representations.

- (6) A subcounty physical planning committee may recommend, with or without modifications and subject to conditions as it may think fit, or refuse to recommend an application made under subsection (3).
- (7) A person aggrieved by a decision of the subcounty physical planning committee under this section may appeal in writing to the district physical planning committee.

39. Environmental impact assessment

Where a development application relates to matters that require an environmental impact assessment to be carried out, the approving authority or physical planning committee may grant preliminary approval of the application subject to the applicant obtaining an environmental impact assessment certificate in accordance with the National Environment Act.

40. Approval or refusal of development permission

- (1) Subject to section 36, a local planning committee may, in respect of a development application—
 - (a) grant an applicant, development permission using the Form specified in Schedule 8 to this Act, with or without conditions; or
 - (b) refuse to grant an applicant development permission.
- (2) The physical planning committee shall, within thirty days after making a decision, notify the applicant using Form P.P.A. 3 set out in Schedule 8 to this Act, of its decision and shall specify the conditions, if any, attached to the development permission granted, or in the case of refusal to grant the permission, the grounds for refusal.
- (3) A person aggrieved by the decision of the subcounty physical planning committee may appeal in writing to a higher physical planning committee.

41. Deferment of application for development permission

- (1) A physical planning committee may, if it thinks expedient, by notice of deferment served on the applicant, in the prescribed manner, defer consideration of the application for development permission for a given period and for reasons specified in the deferment notice.
- (2) The notice of deferment of an application for development permission shall be in Form P.P.A. 3 in Schedule 8 to this Act.
- (3) A person aggrieved by the decision of the subcounty physical planning committee may appeal in writing to a higher physical planning committee.

42. Application for development permission in areas without approved physical development plans

- (1) An application for development permission in an area where there is no approved physical development plan shall be submitted to the local government physical development committee for consideration.
- (2) The local government physical development committee may approve the application but where the application covers matters of a national character, the committee shall refer the application to the Board.
- (3) A person aggrieved by the decision of the Board may appeal to the High Court.

Part VI – Financial and other matters

49. Annual report

- (1) The Board shall submit to the Minister, as soon as practicable but not later than three months after the end of each financial year, a report detailing the activities and operations of the Board during the year to which the report relates, including the audited accounts.
- (2) The Minister shall, within two months after receipt of the annual report, submit the report to Parliament with any statement which he or she considers necessary.
- (3) The Board shall publish the annual report and the report on the audited accounts within six months after the end of each financial year.

Part VII – General

50. Finances of physical planning committees

All activities of the physical planning committees shall be financed by the local government finances.

51. Registration of documents

The Registrar of Documents shall not register a document relating to the development of land under the Registration of Documents Act, unless development permission, in respect of the development, is granted as required under this Act.

52. Enforcement notice

- (1) A subcounty physical planning committee shall serve an enforcement notice on an owner, occupier or developer of land, in the Form specified in Schedule 9 to this Act, where the committee is satisfied that the development of land has been or is being carried out, without the required development permission, or that any of the conditions of development permission granted under this Act have not been complied with.
- (2) The enforcement notice shall specify a period within which the owner, occupier or developer shall comply with the notice.
- (3) Upon the service of an enforcement notice under this section, any development in respect of the land to which the enforcement notice relates shall be discontinued.
- (4) An owner, occupier or developer of land on whom an enforcement notice is served may, within the time specified in the notice for complying with the notice, appeal against the notice to the next higher physical planning committee.
- (5) Where an appeal is lodged under this section, the enforcement notice shall be stayed pending the determination of the appeal.

53. Supplementary provisions relating to enforcement

- (1) Where, within the period specified in the enforcement notice or within a further period as the subcounty physical planning committee may determine, any measures required to be taken other than discontinuance of use of the land, are not taken, the local government may enter on the land and take those measures.
- (2) Where the local government enters on the land under subsection (1), the local government may, without prejudice to any penalties that may be imposed or any other action that may have been taken under this Act, recover from the person on whom the enforcement notice is served by way of a suit, any expenses reasonably incurred by the local government in connection with the taking of those measures.

- (3) An owner, occupier or developer who has not lodged an appeal under section 56 shall not be entitled to question the validity of any action taken by the subcounty physical planning committee under subsection (1) on any grounds that may have been raised in the appeal.
- (4) Where a subcounty physical planning committee has taken action in accordance with subsection (1), anything removed by the committee from the land in pursuance of that action shall, unless the owner claims and removes it within thirty days, be sold and the proceeds, after deduction of any expenses reasonably incurred by the local government in connection with the action and sale, shall be remitted to the owner, occupier or developer.
- (5) Any person who obstructs, or otherwise interferes with, a subcounty physical planning committee in the execution of its functions under subsection (1) commits an offence and is liable, on conviction, to a fine not exceeding forty-eight currency points or to imprisonment for a term not exceeding two years, or both.

54. Rewards for implementing physical development plan

Schedule 5 (Sections 28, 67(2))

Matters to be dealt with in district, urban and subcounty physical development plans

1. Every district, urban or subcounty physical development plan, shall have for its general purpose, orderly, coordinated, harmonious and progressive development of the area to which it relates in order to promote health, safety, order, amenity, convenience and general welfare of all its inhabitants, as well as efficiency and economy in the process of development and improvement of communication.
2. Classification of the plan area for residential, commercial, industrial and agricultural development, infrastructure, environmental protection, natural resource management, urbanisation, human settlements conservation, tourism and other purposes, including the provision of special areas for industries generally, or for shops, warehouses, stores, stables, and other buildings used for commercial and industrial purposes and fixing the sites for buildings required for any of the purposes referred to in paragraph 1 and for public and private open spaces, and prohibiting the carrying on of any trade or manufacture, or the erection of any building, in a particular part of the area, otherwise than in accordance with the plan.
3. The area to which the plan is to apply.
4. The basis for disposing of land acquired, or to be acquired under the plan by a local government or relevant authority.
5. The re-planning and re-construction of the plan area, including any provisions necessary for—
 - (a) the pooling of the lands of several owners, (or any lands, roads, streets, or right-of-way adjacent or near the plan area) and the redistribution of that land among the owners;

- (b) providing for or making new roads, streets, or rights-of-way;
 - (c) adjusting and altering the boundaries, areas, shapes, and positions of any land, road, street, or right-of-way;
 - (d) effecting exchanges of land or cancellation of existing subdivision as may be necessary or convenient for giving effect to this paragraph; and
 - (e) adjustment of rights between owners or other persons interested in land, roads, streets, or rights-of-way.
6. Determining the type and density of development generally or in any particular locality.
 7. Conservation of the natural beauty of the area, including lakes and other inland waters, banks of rivers, hillsides and summits and valleys.
 8. Conservation and enhancement of historic buildings and objects of architectural, archaeological, historical or scientific interest.
 9. Probable routes for railways and canals, probable sites for bridges, docks, harbours, piers, quarries, power-lines, telecommunication; water drainage and sewerage; or any other work or undertaking of public utility.
 10. Works ancillary to or consequent to the plan.
 11. The closure or variation of any right-of-way or easement, public or private or of any restrictive covenants affecting land.
 12. The power of entry and inspection.
 13. The basis for the local government to acquire land or buildings or to make any agreement or proposal in respect of this.
 14. The basis for the local government to remove, alter or demolish and to prohibit, regulate and control the maintenance, alteration and reconstruction of any building which obstructs the observance or carrying out of the plan.
 15. The basis for the local government to declare any land referred to in the plan as land reserved for streets to be public streets.
 16. The basis for the local government to execute street works on land referred to in the plan as land reserved for streets and incidental works upon adjacent land.
 17. The basis for the local government to fix building lines not shown on the map illustrating the plan.
 18. The power of the local government to permit buildings in advance of building lines fixed by the plan.
 19. The basis for the local government to fix improvement lines for existing streets and buildings.
 20. The recovery of expenses incurred in giving effect to the plan, and the time and manner of payment of such expenses.
 21. The implementation of the plan generally, and particularly the time and manner in which, and the person and authorities by whom or by which the plan, or any part of the plan, shall be carried out and completed and its observance ensured.
 22. Potential of given areas and comparative advantage of alternative approaches to development.
 23. Any matter necessary or incidental to the district, urban or subcounty physical development plan.
